the love we got, its magical
if ya know what i'm singing, sing along with me

(Chorus:)

See i love it when you do me, when you do me like that,
and i love the way that it feels when i fall asleep on
your back,
And i love the fact that you got me crazy i don't know

And they all up in my face but they don't know me like
that, they don't know me like that(don't know me like
