It's not tripped, when I cracked, oh we're shattered

eh eh oh na na na na

I thought we had something special, we had something good

But I should'n let another mechanic under my hood

If you see me walking by boy, don't you even speak

pretend you on a sofa, and I'm on MTV

Might see me on a poster, see me at the show

But you won't see me for free boy, this ain't no promo

No shame now,

Wherever you been laying, you can stay now

got to board the BBJ and put the shades down, I'm on the plane now

and don't keep calling from yo mamma house

when I break, I break boy

Up out my face boy

Up out my face boy

Up out my face, I break

Up out my face boy

Up out my face boy

Up out my face, I break

You ain't never gonna feel this thing again

You gon' get a lot of calls, cause I CCed all your friends

I ain't walk around and won't be sad and collecting my bags

So look who's crying now, boo hooo hooo

Talking about you're missing your boooo

No you ain't getting it

No you ain't hitting it

No you ain't a rapper so you need to stop spittin' it

Ah ah ha ha ha ha

You wonder who I'm messing with when you ain't next to me

Ah ah ha ha ha ha

So paint....

No shame now....(refrein)

and no superglue can fix this (when I break)

not even a welder and a builder can rebuild this shit (I break)

Not even a nail technician with a whole lot of gell and ecriclicks...can fix this when I break

If we were two lego blocks, even the Harvard University graduating class of 2010, couldn't put us back together again

up out my face boy
