Tear off all the pages  
And remove all make up  
It been unlike it belong to you  
And you should know

Take all your belonging  
And move away from here  
I know it hard for you  
But me go

Bridge  
Move away  
From here  
Move away from here

Chorus  
You Sould Go away  
Just like a pornstar drop  
From the mansion  
And stuck upon the street x2  
You should go

Verse2  
Don't Forget your lipstick  
Take away the photograph  
Coz I getting tired  
With you

Bridge

Chorus

Riff:  
Just let you know  
I walk a thousand  
Just to run away from you

Chorus
