Yep yep it's Quality Kid Kid Quality on this track I'm  
settlin  
I settle in I'm levellin God's remedyin  
My medicine pains away like aspirin  
Heart is open new beginnin-in  
Rid of sin-in-in vision-in-in you listenin listen  
You will lose if you choose to refuse to move  
Let loose let go from the get go up in the disco  
Let's let go up with the tempo not like Sisqo  
I'm praisin the amazin never phasin escalatin  
Life esgigatin keep baitin  
God's on top like an Adidas hat He's merkin it  
Start worshipping

Woah pull up the vinyl DJ I'm a lyrical rival  
Woah put up your bling bling bring it on check this and  
the crowd sing  
Woah pull up the vinyl sounds of thebandwithnoname  
revival  
Woah put up your bling bling move around like you're  
disco dancin

Yep yep ok listen boy  
We got skills like Ruud van Nistelrooy  
We shot flows from here to Illinois  
Delivery heavy like rhinoceroy  
All the haters want to do is bring the war  
All I wanna do is abort the war  
Like Robin and his men I'm richin the poor  
Evidence Satan's turfin the floor  
Stop go you know the flow  
Show blow wouldn't you know  
Fix up lace up keep it on the low  
Set get ready to go

I take the bass out and it sounds kinda tinny  
Get ya get ya ya hands up higher  
Jumpin up and down feelin free like a hippy  
Shake ya shake ya ya your feets on fire  
I wave my hands around so I look like a jelly  
Get ya get ya ya hands up higher  
Bounce to the beat like there's seven in a mini

Shake ya shake ya ya feets on fire  
Dance dance can you do it like this  
Dance dance and we do it like that
