Today I saw a llama inside car
he was eating tacos with cheese
I thought someone had kidnapped him
It turns out it was my friend Tim
Today we saw a llama inside a car

I'm gonna go to taco bell and buy a sine steak
gonna rescue my friend cause he's getting really sick
my llama thinks he's cooler than me
I'll be working in the yard
while he's poop 'n' by the pool
but i don't mind cause he's still in preschool
and lady gaga looks like a man
when she farts
Yes I said it
Yes I said it
Steve said it cause he could
I didn't say any thing!
Yes you did!

Today I saw a llama inside a car
he was eating tacos with cheese
i thought someone had kidnapped him
but turns out it was my friend Tim
Today we saw a llama inside a car

INSIDE A CAR! WOH WOH WOOOAAHHH Yeah!!

I think i'll stand up and play my tambourine
watch the royal wedding Yo look at that queen
Justin Beiber pierced both his ears
Forever 21 is a really weird store
I once bought their jeans

My friend, he really sucks at guitar! oh...
What..wait a sec
i meant my other friend its ok
I've had it with you!!
stop it no! no... chris...
Sup.
Hay how's it going

Today we saw a llama inside a car
he was eating tacos with cheese
i thought someone had kidnapped him
it turns out it was my friend Tim

INSIDE A CAR!!!!
INSSSIIDEEEEEEE A CAAAAAR!

Sini sticks are awesome
and they look like crunch bars
but not like the ice cream brand
and i like justin beiber cause he pierced both his ears
just kidding that's a little weird
i never peirced my ears before

and my sini are awesome and their crunchy if you want
to crunch them
but thats a little weird

I saw a llama inside a car..... i felt bad...
