i know a place  
where its really loud and bonkers  
its really hot,  
i wanna jump into this fountain  
pizzan places all around  
make this place so much wonderful  
entertainers everywhere  
they play their music  
i am hypnotized

i like to chill in the subway  
i know its cliche but its like  
a coaster ride  
tyler eats like a chicken  
but its only cause the food  
here in the city owns

new york city rocks  
its really crowded here  
people everywhere in  
times square  
gave a bum a dlollor  
now he thinks hes rich  
this place is crazy,yeah  
its pretty crazy here  
new york city rocks  
i found an apple here  
wheres the naked cowboy?  
hes ripped  
lets go shopping  
then we'll eat a taco yeah  
this place is crazy,yeah  
its really crazy here

birds on the street  
there so annoying lets go  
chase them  
lights shining bright  
im gonna stare untill my eyes hurt  
lets go ride in a taxi  
theyre everywhere

it looked like someone peed on them  
searching for famous people  
oh my gosh bob sagot  
can i have your autograph??

new york city rocks  
its really crowded here  
people everywhere in  
times square  
gave a bum a dlollor

dancing in my own wird way
