Hop into the van, about five of us  
And we were all sippin' on our tea.  
Give the keys to my friend cause' I'm only allowed  
To drive one extra person with me.  
Nathan brought a blanket and Tyler brought a shotgun.  
Wait a second, why is Chris goin' on a run?  
This minivan smells really bad.  
Everyone was wearing plaid.  
We're driving to the park, we got really lost.  
The stupid GPS was a fake.  
I threw it on the ground, Steven knew the way  
And we all played Patty Cake.  
And we all played Patty Cake.  
And we arrived at the park all safe!  
(chorus)  
So we put our hands up, and  
Ran into the park, I bumped into a big fat tree.  
We went to the petting zoo.  
Oh my gosh! Is that Winnie the Pooh?!  
Fake barbecues, we laughed all day,  
Steven even peed his pants.  
Yeahhhhhhhhhhhh  
It was a party in the local park!  
Yeahhhhhhhhhhhh  
It was a party in the local park!

Potato sack race in the parking lot,  
Until some guy hit us with his car.  
Jumpin off the swings Tyler hit his head,  
And Nathan grew a big goatee.  
Playing tag on the playground with my best friends.  
At the park our imagination never ends.  
I stepped all geese crap,  
Now it's time to take a nap.  
I threw a frisbee at Nathans head.  
He got mad so Tyler held him back.  
About to eat lunch but we had to wait,  
Because Chris got stuck in a tree.  
Chris got stuck in a tree.  
Chris got stuck in a tree.  
(chorus x2)
