I don't drink seltzer, cause I'm afraid of bubbles  
I don't take showers, showers take me  
And I don't smoke, cause I ain't a chimney  
I don't ever curse, cause I always wash my mouth  
I don't drive a car, I drive a minivan  
I don't "LOL", still I write it in a text  
I don't use a mod, cause I'm not a noob  
I don't wear Ugg's, cause my sister won't let me!  
I don't do homework, I'm allergic to pencils  
And I don't flush, cause I made a masterpiece  
I don't work out, cause I look good already  
I don't spend money, cause money is green, we gotta  
save the Earth...  
Just Kidding!  
I don't clean up, cause I am a dumpster  
I don't eat cats, cause they look like Justin Bieber  
I don't read books, I only eat apples  
And I don't lie, my nose is way too small  
I don't do drugs, I ain't Lou Ferrigno  
And I don't love the way you lie  
I don't ever fly, cause I ain't got wings  
And I don't cry when the bullies pick on me  
I don't cut the grass, my mower does it for me  
I don't drink alcohol, I rub it on my arm  
I don't throw bricks, cause they crush my fingers  
I don't wear glasses, I only wear my fro  
I don't ride a skateboard, I don't know how to stop  
I don't say "IDK", I say "I don't know"  
I don't lick lollipops, I crunch them instead  
I don't even know how to speak in Chinese  
That's a disappointment, and I'm really embarrassed  
by it  
So, right now I'm going to learn some Chinese  
So I can speak Chinese to you guys  
So right now I'm gonna go and  
I'm going to end this song, right now ummm...  
Right here!
