Wake up in the morning feeling like Nick Jonas (Oh My Gosh! )  
I got my pixie sticks and hairbrush  
This happens every day  
I'm really lazy  
All I do  
Is sit and eat this cheese stick  
My pants are on the ground  
I think I'm going crazy  
Talkin  
Aunt Jemima on my toes toes  
Peter Griffin on my clothes clothes  
Chopsticks all up in my nose nose  
(Ouch, Is that blood?)  
Takin my myspace pic in the bathroom  
Eatin all these pin cheese (? don't know if that's right)  
Turning into a hobo  
Let's punch Cap'n Crunch  
Then we'll eat his face for lunch  
Fly a kite  
Drink Some Sprite  
Till we go to sleep tonight  
Tick Tock  
Found a rock  
Gonna knock this poser's socks off  
WOAH they're purple  
WOAH Wa ohhhhh  
Let's punch Cap'n Crunch  
Then we'll eat his face for lunch  
Fly a kite  
Drink Some Sprite  
Till we go to sleep tonight  
Tick Tock  
Found a rock  
Gonna knock this poser's socks off  
WOAH they're purple  
WOAH Wa ohhhhh  
I just ordered a pizza  
As well as 46 others  
Cuz my fridge was out of milk  
So I talked about it's mother  
And my friends are lining up

Because their waiting for their meal  
I just opened up my toilet seat  
To Shaquille O'Neill  
I got mad so I punched my van van  
I'm turning into a man man  
I started my own clan clan  
Chew gum and stick it on a tree tree  
Just kidding that could kill a bee bee  
Going on a killing spree  
(Boom! ) I shot my knee  
Let's punch Cap'n Crunch  
Then we'll eat his face for lunch  
Fly a kite  
Drink Some Sprite  
Till we go to sleep tonight  
Tick Tock  
Found a rock  
Gonna knock this poser's socks off  
WOAH they're purple  
WOAH Wa ohhhhh

My car smelled really bad  
So I wore some plaid  
I bought myself an air freshener  
It's called Peachy Peach  
But it smelled like an elf  
So I threw it out  
I tweeted all about it  
My car smelled really bad  
So I wore some plaid  
I bought myself an air freshener  
It's called Peachy Peach  
But it smelled like an elf  
So I threw it out  
I tweeted all about it  
I just restocked the fridge  
I bought 1 percent  
Let's punch Cap'n Crunch  
Then we'll eat his face for lunch  
Fly a kite  
Drink Some Sprite  
Till we go to sleep tonight
