Singing along to our favorite songs

With our favorite lyrics(Oh Oh Oh)

{Chorus} Tonight I'm Alive

For the very first time I'm not feeling so afraid

I'm feeling like I'm brave

Cause I have got my friends to carry me along the way

Gettin' dressed up like it's '85

{Verse 2} Tonight's the night that we become alive

Seein' another red light, sittin' there ready to go

To when we here our song on the radio

Singing along to our favorite songs

With our favorite lyrics(Oh Oh Oh)

{Chorus} Tonight I'm alive

For the very first time I'm not feeling so afraid

I'm feeling like I'm brave

Cause I have got my friends to carry me along the way

(Repeat 2x)Carry me along the way

Singing along to our favorite songs

With our favorite lyrics(Oh Oh Oh)

{Chorus} Tonight I'm alive

For the very first time I'm not feeling so afraid

I'm feeling like I'm brave

Cause I have got my friends to carry me along the way

I'm feeling like I'm brave

Cause I have got my friends to carry me along the way
