Dear friend  
I'll write these lines for you  
Don't go  
Don't go away from me  
Cause you  
You are so much for me  
Sometimes  
I ask myself why  
Are you  
So essential for me  
Like a brother  
Like a part of me

Cause we have lived our dreams  
Always together  
And now that we arrived  
Will you change?

If you don't want to stay  
And if you go away  
If you are sad and tired to smile  
And if you want to change your way  
You will find me in your soul I won't leave you  
Believe in what you say  
Believe in what you love  
Believe in what you do and so  
Believe in what you are  
I will be in your soul I won't let you down

I know  
It's difficult to live  
This life  
It isn't like we want  
But you  
You have a reason now  
Cause we  
We could change the world  
I know I'm crazy but  
I wanna be crazy with you  
Please swear  
You'll be forever you

Cause we have lived our dreams  
Always together  
And now that we arrived  
Will you change?

If you don't want to stay  
And if you go away  
If you are sad and tired to smile  
And if you want to change your way  
You will find me in your soul I won't leave you  
Believe in what you say  
Believe in what you love  
Believe in what you do and so  
Believe in what you are  
I will be in your soul I won't let you down
