Cover me
Follow me
Kiss me
Say to me
All the things that you want
Cause I love you
Remember me
And decide for me
You can change my life
You can stop my time
Cause I love you

And just tell me
Why I cry for you always
Why you can change my life
And stop my time
I love you so
And just tell me
Why you can help me always
Why I see in your eyes
Rain and fire
But love and hate I love you so
And just tell
Do you love me?

And I will never forget
Your eyes, your smile
Cause my heart is going to die
Without you
And your person lives in my memories
Like a shining star
like a ghost of my past
cause I love you

And just tell me
Why I cry for you always
Why you can change my life
And stop my time
I love you so
And just tell me
Why you can help me always
Why I see in your eyes

Rain and fire
But love and hate I love you so
And just tell
Do you love me?

And now listen
that the wind is coming
and it kisses our lives
like a candle in the wind
and just tell me
do you love me?
