Thinking to you all the time
Nothing is the same
After that day

I thought it was a joke
Or maybe a so far dream
And every thing I ever felt for you
Is bursting now
It's strange, not as usual
All the small things are different now
Cause my heart burns
just talking to you
is fantastic as never
how could I forget your eyes?
They're printed in my mind
And when I dream my future
I hope you'll be there
Still with me

In the night without stars
You're my light in the dark
And all the things you told me
Resound in my mind
While your thinking strokes my days
Emptying out the mind
Taking away the sleep

Ricordi tutto quel tempo passato
A scherzare a ridere
Di tutto tranne che di noi
Era cos? normale ma
Sembrava chiaro che
Sarebbe rimasto cos? per sempre
Ma adesso niente
? pi? come prima
e quei giorni son solo
un dolce ricordo
adesso la mia vita ? cambiata
e quella di prima
no non mi manca
? come un lungo sogno
ma non voglio

svegliarmi ora

nelle notti senza stelle
sei la mia luce nel buio
e tutto ciò che hai detto
risuona nella mia mente
il tuo pensiero accarezza le mie giornate
togliendomi il sonno
e svuotando la mente
I've never felt
A feeling so deep
Maybe it's not important
Not as it is for me
But you have to know
That I love you
