If it's the last thing I do,
I'll make you mine.

But baby,
The first thing is you,
In my design.

Ohh,
And just like the stars guard the moon,
Way up above me...

Hey baby,
That's just how I'll guard our love,
So love me,
Come one, please love me.

Well...
If it's the last thing I do,
I'm gonna take your hand...

And though I won't say one word,
I know you'll understand, yeah.

And I'll build a dream,
Just for two,
And then I'll make it come true.
Baby, if it's the very, very last thing that I do,
I'm gonna get you, yeah.

Well, well, well, well,
I'll build a dream,
Just for two,
And then I'll make sure it comes true.

Baby, if it's the very, very last thing,
That I might do,
While I'm down here on this Earth,
I'lll?

Baby, if I just had you, yeah.
I could be so happy.
And I know I could make you happy.

So I'm gonna take your hand,
And baby, I'm sure you'll understand, yeah.

If it's the last thing I do,
I'm gonna get you.
I'm gonna make you mine...
