You know girls, once in a break apart
There comes a man that's truly worth waiting for
And though it may take some time to trust
That he really is as great as he seems

And he treat you just like you deserve
You begin to realize, yes this is the man
And you know, just like you're worth all the love he has
for you
Honey, he's worth all the love you have for him
Every last drop

I can't fool myself, I don't want nobody else to ever love
me
You are my shinin' star, my guiding light, my love
fantasy
There's not a minute, hour, day or night that I don't
love you
You're at the top of my list 'cause I'm always thinkin' of
you

I still remember in the days when I was scared to touch
you
How I spent my day dreamin' plannin' how to say I love
you
You must have known that I had feelin's deep enough
to swim in
That's when you opened up your heart and you told me
to come on in

Oh, my love
A thousand kisses from you is never too much
And I just don't wanna stop

Oh, my love
A million days in your arms is never too much
And I just don't wanna stop
(Too much, never too much, never too much, never too
much)

I woke up today, looked at your picture just to get me
started

I called you up but you weren't there and I was broken
hearted
Hung up the phone, I can't be too late, the boss is so
demandin'
Opened the door up and to my surprise there you were
standin'

Who needs to go to work to hustle for another dollar
I'd rather be with you, you make my heart scream and
holler
Love is a gamble and I'm so glad that I'm winnin'
We've come a long way and yet this is only the
beginnin'

Oh, my love
A thousand kisses from you is never too much
(Never too much, never too much, never too much)
And I just don't wanna stop

Oh, my love, my love, my love
A million days in your arms is never too much, no no
And I just don't wanna stop
(Too much, never too much, never too much, never too
much)

I don't wanna stop, no

Don't wanna stop, no no
Oh girl you know I just can't get enough

Never too much

Never, never, never
Never, never, never

Oh, my love
A thousand kisses from you is never too much, no no
And I just don't wanna stop

Oh, my love
A million days in your arms is never too much
And I just don't wanna stop
(Too much, never too much, never too much, never too
much)

Oh, my love sweetheart
A thousand kisses from you is never too much
(Too much, never too much, never too much, never too
much)
I just don't wanna stop

Oh, my love, sweetheart
A million days in your arms is never too much
(Too much, never too much, never too much, never too
much)
And I just don't wanna stop
