Not long ago, I use to be sad and so lonely
IÃ¢â€Œ™ ve admired you so; I know I could make you
be happy
But if you have someone, then I donÃ¢â€Œ™ t mean to
disrespect you
But if I can be the one, I know I will never neglect you
Can I be the oneÃ¢â€Œ?

Can I be the oneÃ¢â€Œto drive you crazy?
Can I be the oneÃ¢â€Œto provide for you baby?
Can I be the one, be the one?
Can I be the oneÃ¢â€Œto wine you and dine you?
Can I be the oneÃ¢â€Œto stand here beside you?

YouÃ¢â€Œ re so beautiful
I know you heard all of this before
But your inner glow
It makes me want you so much more
ItÃ¢â€Œ s like gravityÃ¢â€Œ,
And it keeps drawing me closer to you
If I can make you see,
I can be the one to please you
Can I be the oneÃ¢â€Œ?

Can I be the oneÃ¢â€Œto drive you crazy?
Can I be the oneÃ¢â€Œto provide for you baby?
Yes, can I be the one, be the one?
Can I be the oneÃ¢â€Œto wine you and dine you?
Can I be the oneÃ¢â€Œto stand here beside you?

I wanna be the one, yes I do baby

Can I be the oneÃ¢â€Œto give you a shower?
Can I be the oneÃ¢â€Œto make love several hours?
I wanna be the one
Can I be the oneÃ¢â€Œto give you the world?
Can I be the oneÃ¢â€Œto say youÃ¢â€Œ re my girl?

We can sail away tonight and stir up emotions
Make love on a yacht, to the waves of the ocean
We can take a trip to Paris, in the spring or the fall
All IÃ¢â€Œ m trying to say is, we can have it all

We can have it all! you and me baby

Can I be the one to drive you crazy?

Can I be the one to provide for you baby?

Can I be the one to wine you and dine you?

Can I be the one to stand here beside you?

Can I be, Can I be, Can I be?

I wanna be, I wanna be

You and me baby!

Can I be, Can I be, Can I be?

You know I wanna be the one

Can I be the one to drive you crazy?

I wanna be the one, yes I do

Can I be the one to provide for you baby?

I wanna be

Can I be the one to wine you and dine you?

I wanna be the one.

Can I be the one to stand here beside you?

Can I be the one to give you a shower?

Yes, I do

Can I be the one to make love several hours?

You're my girl

Can I be the one to give you the world?
