I thought love was easy
But I made it so hard
Cause I stopped all of the roads that led to my
baby's heart
And you were counting on me, to take care of all of
your needs
Then I stopped and now everything is falling apart

But I'd be crazy, if I let you slip away
I'm too much of a man to cry
But inside my heart would die
Yes I'd go crazy, crazy, crazy
If I was to lose your love
I'd be a fool to make a change
And my heart would be in pain, if you were gone

I could tell something was a wrong
But I kept holding on
Thinking you and I would be in love forever
I didn't want to believe it
You would stone cold leave me
I thought my girl was singing that same old song
Yes, I would go crazy, crazy, crazy
If I were to lose your love

I'm too much of a man to be crying
But inside, my heart is dying
I would go crazy, crazy, crazy
If I were to lose your love
I'd be a fool to make a change
And my heart would be in pain
I would go crazy, crazy, crazy if you were gone

Now that the day has arrived, and reality struck
Now I feel it, yes I feel it
Oooo, I can feel it all in my heart
Just give me one more chance
To do it all again

I'll cherish you for the rest of my life
Not as my woman, would you be my wife
I'd go crrr-aaazy!

I'll go out of my mind baby
You see
No one could love me like you do
I would go crazy, crazy, crazy
If I were to lose your love

No one loves me like you do, baby
No one, no one
No one can love me like you do
I would go crazy, crazy, crazy
Crazy, crazy, crazy
Crazy, crazy, crazy
Baby I need your love!
