As I gaze out the window at the falling rain
And every half hour at the passing trains
I suddenly find myself pacing the floors
So I grab my coat with nowhere in mind to go
Then I look at the clock on the wall
As every half hour the cuckoo, cuckoo calls
Then I realize I had to get myself together
I gotta do it now, or IÃ¢â€Œ™ ll be this way forever

Life is too short to waste
Life is too short
Live each moment like itÃ¢â€Œ™ s your last day
Life is too short to waste
Life is too short
Live each moment like itÃ¢â€Œ™ s your last day
ItÃ¢â€Œ™ s your last day, day to day, day to day
DonÃ¢â€Œ™ t worry about tomorrow

See life is like a joy ride heading to nowhere
Suddenly you stop
Then you go around and around and around in circles
And suddenly you drop

Life is too short to waste
Life is too short
Live each moment like itÃ¢â€Œ™ s your last day
You know you gotta live it up
Life is too short to waste
Life is too short
Live each moment like itÃ¢â€Œ™ s your last day
Life is too short to waste
Life is too short
Live each moment like itÃ¢â€Œ™ s your last day
ItÃ¢â€Œ™ s your last day, day to day, day to day
DonÃ¢â€Œ™ t worry about tomorrow

HeyÃ¢â€Œ!, keep on living on, living on
Come onÃ¢â€Œ!
Life is too short

Life is too short
Life is too short
Life is too short, yeah
Life is too short
Keep living right now
Life is too short
Come on baby
Don't waste your life
Life is too short
Life is too short
Life is too short to waste
Life is too short
You gotta live each moment (x2)
Life is too short
Live each moment
Life is too short
Life is too short to waste (x2)
