U fit the bill  
U fit the bill now baby, baby (x2)

U fit the bill  
U fit the bill now baby, baby " girl (x3)

U fit the bill  
U fit the bill now baby, baby - yeah

I'm looking for a woman who's got  
good game  
Who knows how to make a man feel and  
she's not a shamed  
A woman with an attitude, but you can't tell  
Someone who knows herself, so very well  
Do U Fit The Bill, baby?

U fit the bill  
U fit the bill now baby, baby " girl

U fit the bill  
I think you do  
U fit the bill now baby, baby " girl

U fit the bill  
All I wanna know  
U fit the bill now baby, baby " girl

U fit the bill  
Girl u fit the bill?  
U fit the bill now baby, baby - yeah

I had it going my way for most of my life  
With a woman like you, could make it seem twice as  
nice  
Someone who knows what she wants, and how to get  
there  
A woman like you to show, I really care  
Do U?

U fit the bill  
U fit the bill now baby, baby " girl

U fit the bill  
You ã€ˆ™ re what I ã€ˆ™ m looking for  
U fit the bill now baby, baby ã€ˆ“ girl

U fit the bill  
You ã€ˆ™ re the one I want  
You ã€ˆ™ re the one I need  
U fit the bill now baby, baby ã€ˆ“ girl

U fit the bill  
Come on  
I know u fit the bill  
U fit the bill now baby, baby - yeah

You look like a woman  
That I would like to know  
I think I ã€ˆ™ ll ask her out to dinner  
See if she wants to go  
Can I introduce myself  
Cause I feel that you ã€ˆ™ re the one  
And I wonã€ˆ™ t leave  
ã€ˆˆtil I get the job done  
U ã€ˆ!..

U fit the bill  
U fit the bill now baby, baby ã€ˆ“ girl (x3)

U fit the bill  
U fit the bill now baby, baby ã€ˆ“ yeah
