Didn't u know?
I always said I'd be by myself
Never wanted no man's money
Didn't need no help
There was a time I was all 4 love
But all it took was 1 heartbreak and I'd had enough

Just when I thought I had no reason
U came along and showed me life
Has just begun

Chorus:
Didja know
I wud go
Anywhere u roll cuz with u is home
Didja know it, didja know it
Does it show
When I'm low
U cud ask me 2 smile and Id do so
Didja know it, didja know it
Didn't u know

I can't believe ur treatin' me this way
All the words I need 2 be hearin'
Are the ones u say
Finally I got someone on my side
Never leave when times get hard
cause they got nothing to hide
Just when I thought I had no reason
U came along and showed me life
Has just begun

Chorus

I think it's time I let u know
Wherever u are is where I'll go
No matter how far u know I'll show
Cuz it's all about u
I think it's time I tell u baby
That I'll be ur 1 and only
Cuz when I'm with u it's like
Heaven on earth
