Hello, Hello, Hello, Hello.....

Hello it's me, it's me babe
I thought about us for a long, long time
Maybe I think too much, but somthin' is wrong
Somethin' here that doesn't last too long
Maybe I shouldn't think of you as mine

Listen Baby
Seein' you, you babe
Seein' anyone as much as I do you
I take for granted that you're always there
I take for granted that you just don't care
Sometimes I can't help seein all the way through, baby

Listen
It's important to me
That you know you are free, free
See I never want to make you change for me babe

Don't change, don't change boy
Keep everything the same boy

Listen Baby
Think of me, think of me
You know I'd be with you if I could
I'd come around to see you once in awhile
If you ever need a reason to smile
I'll stay awhile if you think I should

It's important to me
That you know you are free
See I never want to make you change for me babe
Don't change, don't change boy
