I hope u know what I veen goin' thru baby

I wonder ir ur goin' thru it 2

But I'm afraid what might be true, hey u...

I remember the day

It hit me that I really loved ur way

I thought 4 sure I'd be here 2 stay baby

2 my surprise I'd soon be running away, runing away

Chorus: If I ever see u walkin'

I won't know what 2 say

Or do

So what's the use in talkin'

All that's left 2 say is hey u,

Hey u...

Those times

Were some of the happiest in life

Count the years since I left u behind

Oh stayed with me like Georgia on my mind

Never left my mind

These eyes

Have searched the land form moonfall 'til sunrise

Searchin' 4 just 1 good reason why

Why'd u have 2 go and do me so wrong, yet do me so
right

Chorus

Where it's right or wrong

U share a life

With the one u loved befor u met me

If i cud stop holding on

And wondering why u are gone

Then I wud be free

I wud be free

Chorus
