I'd been doing my own thing  
Love has always had a way of having bad timing  
But to my great surprise  
Ever since I looked in your eyes  
I had one question for you

Chorus:

Tell me if you want me to  
Give you all my time  
I wanna make it good for you  
Cuz you blow my mind  
I promise boy that I'll be true  
You're the perfect find so  
Tell me if you want me to

If you thought I'd sleep on this  
Boy you're wrong cuz all I dream about is our first kiss  
And you're the first one to make me feel like this  
And this is an opportunity that I can't miss no, no  
Boy you wanna know the deal  
You are wondering if the words I'm sayin' are for real  
Cuz you got more appeal  
Than any man in this whole world  
And baby  
I got to know how you feel

Chorus

Sweetheart

Now it's time I let you know  
I don't wanna rush  
We should take it slow  
Boy I can love you  
Can you help me grow  
Give me a new beginning  
I'll give you a happy ending

Oh my love please tell me if you want me to,  
I want you to, I want you to, (yes i do) ooohh  
I wanna make it good, I wanna make it good to you  
baby,  
So won't you tell me, tell me, whhooooo ooohhh

Tell me if you want to,  
I really, really want to,  
I promise that I'll be true,  
I really , really want to
