Chorus:

Oh how time flies, since we said hi
But now it's time we said goodbye
Oh how time flies, since we said hi
But now it's time we said goodbye

Here we are
Look how long it's been
We've cum far and I remember when
We were young
Having fun
Dancin' til the dawn
Now we're grown
On our own
Everybody's movin'

Everything is changin'
Nothin' stays the same
Even though we're leavin'
We'll be comin' back again

Chorus

The loves, the laughs, the good one and the bad
My precious memvouris of the times we had
Chance are
We'll go far
I know our day will cum
Never lie
Don't deny
Just remember where ur from

Everything is changin'
Nothin' stays the same
Even though we're leavin'
We'll be coming' back again

Chorus

Time it flies on by
U know it baby
Time it flies on by

Ur on my mind, ur in my heart
Ur on my mind, on my mind

Chorus
