I had given u p on u cuz u had make it clear
U couldn't give a damn whether I was far or if I was
near
But you heard I got a man
And suddenly ur here
The challenge it must turn u on
Cuz I know u ain't sincere

What we had is over even though I thought we'd last
But somehow u just think that u can hold on 2 the past
U hate it that I'm doin' fine without u in my life
But I bet u never guessed that I'd be someone else's
wife

Chorus:
U decieved me
Thought u'd love me then u'd leave me
Played ur games
Yeah u had ur fun, uh
Boy believe me
If u think I still need u
Bou ur wrong
Cuz ur not the 1

Lately in the middle of the night
U decide 2 call
Telli' me u want me back and
That I am ur all
Ever since we parted those 3 little words u refused to
say
Are said 2 me so sweetly almost every single day

There's no use in trying
Cuz I really love my man
Ther's no use in lying
I can see right thru ur plan
It's time that u move on and
Make a brand new start
But I woun'd be surprised if next time
Someone breaks ur heart

Chorus

There's no use in tryin' Cuz I really love my man
There's no use in lying
I can see right thru ur plan
It's time that u move on and
Make yourself a brand new start
But I wudn't ve surprised if next time
Someone breakes ur heart

Chorus
