"Die Laughing"

Gimme something to breathe give me a reason to live
close your eyes and see what you have inside
I think I've gone insane I can't remember my own name
I think I've gone insane
and your friends just tell you lies then you realize
I think I've gone insane I can't remember my own name
I think I've gone insane I think I've gone insane
I can't remember my own name I think I've gone insane

lost in a world with no reality
I'm frightened to move I'm frightened to speak
and I would kill for a good nights sleep
I'm feeling I'm feeling dead
I think I've gone insane I can't remember my own name
I think I've gone insane I think I've gone insane
I can't remember my own name I think I've gone insane
