

## Theory In Practice

### "Hello Lonely"

Visit "[Hello Lonely](#)" on [MotoLyrics.com](http://MotoLyrics.com)

Hello lonely  
How you doin' today?  
Hello sweet thing  
Why don't you walk this way?

Hello, you again  
How could you go and be so cold?  
She said "Goodbye sad man"  
Cuz all this pain is getting old

So why're you sad?  
Don't you know that  
It's you that haunts my dreams and seems to always  
come back?

How do I live without you?  
How could you walk away from this, just walk away  
from this again?  
How do I live without you?  
How could you walk away from this, just walk away  
from this?

Hello lonely  
Now that you're gone I can move on  
Goodbye sweet thing  
Just know that I've been here all along

So why're you sad?  
Don't you know that  
It's you who haunts my dreams and seems to always  
come back?

How do I live without you?  
How could you walk away from this, just walk away  
from this again?  
How do I live without you?  
How could you walk away from this, just walk away  
from this again?  
Again  
Again  
All those days you waste on me

I just can't let you go

So why're you sad?  
Don't you know that  
It's you who haunts my dreams and seems to always  
come back?

How do I live without you?  
How could you walk away from this, just walk away  
from this again?  
How do I live without you?  
How could you walk away from this, just walk away  
from this again?

How could you walk away?  
(Again)  
How could you walk away from this?  
(Again)  
Just walk away from this again

[Repeated until end of song]
