The bitch came back the very next day  
Oh, the bitch came back, I thought she was a goner  
But, the bitch came back, she couldn't stay away  
Don't you know the bitch came back?

I like her so much better when she's down on her knees  
Cause when she's in my face that's when I'm starting to see  
That all my friends were right for thinking that we'd be wrong  
Well she's so fuckin' stupid bet she's singing along

The trouble with girls is they're all the same  
Forget the diamonds and pearls they just want a ring  
Before you know it you're like a dog on a leash  
Well you can try and change the world but you won't change me

The bitch came back the very next day  
Oh, the bitch came back, I thought she was a goner  
But, the bitch came back, she couldn't stay away  
Don't you know the bitch came back?

There she goes again she's always breaking my balls  
No matter what I do somehow it's always my fault  
She says I must be cheating cause I turned off my phone  
But that's the only frickin' way she'll leave me alone

The trouble with girls is it's never enough  
They love to complain and they never shut up  
They like to tell you the way it ought to be  
Go on and tell the world but just don't tell me

The bitch came back the very next day  
Oh, the bitch came back, I thought she was a goner  
But, the bitch came back, she couldn't stay away  
Don't you know the bitch came back?

It ain't a joke when I say I wanna throw you out

(I really mean it, I really mean it)  
Well look who's laughing now!

The bitch came, the bitch came back  
The bitch came, the bitch came back  
The bitch came, the bitch came back  
She just couldn't stay away

The bitch came back the very next day  
Oh, the bitch came back, I thought she was a goner  
But, the bitch came back, she won't stay the fuck away

The bitch came back the very next day  
Oh, the bitch came back, I thought she was a goner  
But, the bitch came back, she couldn't stay away  
Don't you know the bitch came back
