What's the worst that could happen to me?
They could say that it's all in my head
Well how 'bout the truth instead of worthless lies?
Don't try to make me stay
You think you got a foot in the door but you got a foot in
the grave

(I'm hating Hollywood)
I was wasting away just waiting for the phone to ring
(I'm hating Hollywood)
So I became a cautious star (??) with a suicide ending

They say we're better off, leave it alone
Cuz when all is said and done who would consider the
song?
But you bet i won't lose this chance to be ready to go
Don't try to make me stay
You think you got a foot in the door but you got a foot in
the grave

(I'm hating Hollywood)
I was wasting away just waiting for the phone to ring
(I'm hating Hollywood)
So I became a cautious star (??) with a suicide ending
(I'm hating Hollywood)

Well I'm hating Hollywood
Well I'm hating Hollywood
Well I'm hating Hollywood
Well I'm hating Hollywood

I was wasting away just waiting for the phone to ring
(I'm hating Hollywood)
So I became a cautious star (??) with a suicide ending
Well I was wasting away just waiting for the phone to
ring
(I'm hating Hollywood)
So I became a cautious star (??) with a suicide ending
(I'm hating Hollywood)
I'm hating Hollywood
I'm hating Hollywood
I'm hating Hollywood
