

Theory Of A Deadman "Hello Lonely"

Visit "[Hello Lonely](#)" on MotoLyrics.com

Hello lonely
How you doin' today?
Hello sweet thing
Why don't you walk this way?

Hello, you again
How could you go and be so cold?
She said "Goodbye sad man"
Cuz all this pain is getting old

So why're you sad?
Don't you know that
It's you that holds my dreams and seems to always
come back?

How do I live without you?
How could you walk away from this, just walk away
from this again?
How do I live without you?
How could you walk away from this, just walk away
from this?

Hello lonely
Now that you're gone I can move on
Goodbye sweet thing
Just know that I've been here all along

So why're you sad?
Don't you know that
It's you who holds my dreams and seems to always
come back?

How do I live without you?

How could you walk away from this, just walk away
from this again?
How do I live without you?
How could you walk away from this, just walk away
from this again?
Again
Again
All those days you waste on me

I just can't let you go

So why're you sad?
Don't you know that
It's you who holds my dreams and seems to always
come back?

How do I live without you?
How could you just walk away from this, just walk away
from this again?
How do I live without you?
How could you just walk away from this, just walk away
from this again?

How could you walk away?
(Again)
How could you walk away from this?
(Again)
Just walk away from this again

[Repeated until end of song]
