No I don't need a reason to be breathin
Just here doin what I can
No I don't want a family who would damn me
and resent everything I am
I don't need to prove to all the ones who
Feel that I need to fit in
No I won't ever tell you that I failed you
I'd rather start life over again

No I'm sorry to say
There'll be no sacrifice today

No I can see it clearly
Why you fear me
Why you got to bring me down
No I don't want to fight you
Just to spite you
But I'm not afraid to take you out

No I'm sorry to say
There'll be no sacrifice today
Everybody expects me to break
but I'll never break down again
Everybody expects me to give up
but you'll never see me givin in
Everybody wants me to lose
but I'll never lose who I am

No I'm sorry to say
There'll be no sacrifice today [X2]

Everybody expects me to break
but I'll never break down again
Everybody expects me to give up
but you'll never see me givin in
Everybody wants me to lose
but I'll never lose who I am

No I'm sorry to say
There'll be no sacrifice today [X2]

No sacrifice today [X2]
