I'm turning all sideways  
Can't understand these days  
What I think, what I feel  
It's got control of me  
What I feel, what I am  
It's taking over me  
This is what, this is how  
This is the way it is  
This is how it is

I'm inside, I'm outside  
I can not take this anymore  
So far away

It's like I don't belong  
It's so hard to be strong  
What I think, what I feel  
It's got control of me  
What I feel, what I am  
It's taking over me  
This is what, this is how  
This is the way it is  
This is how it is, it's always

So far away, cause we don't know what to say  
So far away  
I'm inside, I'm outside  
I can not take this anymore

So far away, cause we don't know what to say  
I'm inside, I'm outside  
I can not take this anymore  
So far away  
So far away
