You don't have to dry your eyes,
Go ahead and cry,
Let your sweet tears stain my shoulder.
It's good to get it off your chest
Give your troubled soul a rest
And let somebody hold you.

It's gonna be ok,
It's gonna be alright,
Tomorrow is a new day
Oh, you see it in a new light.
Try to keep your head up,
Don't you ever give up,
Even if your heart breaks
Yeah, it's gonna be ok.
It's gonna be ok...

When hurt is all you feel inside,
'Cause you failed with one you tried
It's best to put that thing behind you
It may don't look so good right now
But it's gonna change somehow
All that I can do is remind you...

It's gonna be ok,
You're gonna be alright,
Tomorrow is a new day
Oh, you see it in a new light.
Try to keep your head up,
Oh, don't you ever give up
Even if your heart breaks
Yeah, it's gonna be ok.

It's gonna be ok...
You've gotta find the way to keep your faith
'Cause someday someone is gonna need to hear you
say:

It's gonna be ok,
You're gonna be alright
Tomorrow is a new day
You see it in a new light

Oh, try to keep your head up
But don't you ever give up
Even if your heart breaks
Yeah, It's gonna be ok, (it's gonna be alright)

It's gonna be ok
You're gonna be alright
Tomorrow is a new day
Oh, you see it in a new light
But try to keep your head up
Don't you ever give up
Even if your heart breaks
Oh, it's gonna be ok

It's gonna be ok...
You're gonna be alright
But try to keep your head up
Don't you ever give up
It's gonna be ok.
