Let's go

I am disorder, reign the night  
I'm spreading terror  
Death by my side  
I face the never  
Clothed in leather

I will never turn my face  
And face dishonour  
You will never  
Put me in the fucking corner

In despair, the fallen sinners  
Bow their heads and await their death  
Do you see me?  
See me now

[Chorus:]  
Never ends, you will make amends  
The sins of your father are yours now  
To repay, through endless days  
I'll hurt you in endless ways

I am the pain  
I am the needles in your spine  
And through my endless torture  
My existence is divine  
Cut yourself, and you will see it's not a dream  
My existence, pure and evil  
This is me

In dismay, the broken sinners  
Upon their cross  
Their life is lost  
Do you see me?  
See me now

Feel now, the silence filling you  
Bleed now, as the needle punches through

It never ends

[Repeat Chorus]
