Elvis, I wasn't talkin' 'bout that king  
I wasn't talkin' 'bout that king  
I wasn't talkin' 'bout that king or hairdos  
Elvis, I wasn't talkin' 'bout that king  
I wasn't talkin' 'bout that king  
I wasn't talkin' 'bout that king it's confusing now

We're being watched by experts  
We're being watched by experts  
We're being watched by experts we're being,  
I try to blurt it out but I can't find the words  
I can't find the words  
I can't find the words

We're all waiting or forever made  
We're all waiting or forever made  
And if there is a god  
Then he'll take me up

Now we're being watched by experts  
We're being watched by experts  
And what will happen next we are the clues  
Now I'm gonna tell you my secrets  
I'm gonna tell you my secrets  
I'm gonna tell you my secrets I'm gon'  
I try to blurt it out but I can't find the words  
I can't find the words  
I can't find the words  
I try to blurt it out but I can't find the words  
I can't find the words  
I can't find the words

We're all waiting or forever made  
We're all waiting or forever made  
And if there is a god  
Then please take me up
