Then I would write it.
Where did you last see it?
I'm in the rain.
Well if I knew that.
Well if I knew that.
Then I would find it.

En Papier, En Papier...
En Papier, En Papier...

I know you're eating it, God I know you've eaten it.

En Papier, En Papier...
En Papier, En Papier...

I know you're eating it, God I know you've eaten it.
I know you're eating it, God I know you've eaten it.
I know you're eating it.
I know you're eating it.
