

These New Puritans "Numerology AKA Numbers"

Visit "[Numerology AKA Numbers](#)" on MotoLyrics.com

What's your favourite number?
What does it mean? (x4)

Number one is the individual
Number two: duality
Number three, numerology is all shit
Number four is the number that will run to this music

What's your favourite number?
What does it mean? (x4)

Numbers (x8)

Every number has a meaning (x9)

What's your favourite number?
What does it mean? (x4)

Number six is the sword on your neck
Number seven: surreality
Number nine this is where the cycle ends
Number ten, here we start again

What's your favourite number?
What does it mean? (x4)

Numbers (x8)

Every number has a meaning (x12)
