This room got tense
as you chased me with your eyes tonight
and I am sweating from the lime light
and how the stars will shine so dull tonight
tell me whats on your mind
I know whats on your mind
we don't have time
no no, we don't have

HOW COULD YOU EVEN THINK I WAS FUCKING
INTERESTED?
This stare is poison

It's a change of scenery
so trust me just leave baby
trust me just leave me
your just a girl in a dress, here to impress
is that your best?
just leave
I'm barley looking
I'm barley looking at you now

(fuck man)
