"Terror Cimbricus"

Driven from the Northlands
The tribe of the Cimbri wandered
Spurred by their restless nature
Their destiny spun by the Norns

A pure and noble people
Strengthened by hardship
Led by the gods to the south
Towards the Roman border

Give the Romans nothing! - Terror Cimbricus!
Ontneem ze alles! - Terror Cimbricus!
Tod vor Unehre! - Terror Cimbricus!
Segra eller d'Ä! - Terror Cimbricus!
Not prepared for betrayal
The Cimbri were deceived
Shameless Roman tactics
No honour in this defeat

Awaken the fury of Wuotan
In every beating heart
This fight we will not lose
No life in slavery

Give the Romans nothing! - Terror Cimbricus!
Ontneem ze alles! - Terror Cimbricus!
Tod vor Unehre! - Terror Cimbricus!
Segra eller d'Ä! - Terror Cimbricus!
