Oh, I don't want to stay in tonight and watch Death Wish
3
Fall asleep with pizza crumbs on my clothes
So put away that hash pipe, the pornography, and the
booze
'Cause tonight we're going to the Anaheim House of
Blues

Don't do anything crazy
Like defecate in your pants because you're lazy

Oh, put away that crack pipe
Put some makeup on that bruise
'Cause tonight we're going to the Anaheim House of
Blues
Oh, take me down to the Anaheim House of Blues
Yes, drag me by my hair to the Anaheim House of

Good night, Mrs. Hitler
