I  
I got  
I got kicked  
I got kicked in the head backstage at the Stone

Stone Pone  
Stone Pony  
I got kicked in the head backstage at the Stone Pony  
Where I swore to the guy  
That the guy who took his beer wasn't me

Me got  
Me got kicked  
Me got kicked in the head backstage at the Stone

Stone Pone  
Stone Pony  
Me got kicked in the head backstage at the Stone Pony  
Where I swore to the guy  
That the guy who took his beer  
Was a guy dressed just like me

Not me  
Not me  
Not me
