Here's hoping you don't
(Hoping you don't)
Become a robot
(Clang, clang)
Clang, clang, whoops, too late

Here's hoping you don't
(Hoping you don't)
Become a robot
(Clang, clang)
Clang, clang, whoops, too late

Let's stick together 'cause we're number 8
Let's stick to numbers 'cause we're great

Here's hoping you don't
(Hoping you don't)
Become a robot
(Clang, clang)
Clang, clang, whoops, too late

Hey
Wait

Here's hoping you don't
(Hoping you don't)
Harbor a death wish
(Help, help)
Help, help, help yourself

Here's hoping you don't
(Hoping you don't)
Harbor a death wish
(Help, help)
Help, help, help yourself

Hip, hip, horrific are the words we sing
Hip, hip, horrific is our thing

Here's hoping you don't
(Hoping you don't)
Become a robot

(Help, help)
Help, help, help, help
Help, help, help
