The day is done  
The sun is down  
The curtains have been drawn  
And darkness has descended over everything in town  
The covers have been turned and I've got my pajamas  
on  
I've had my fun  
I've stretched and yawned and all is said and done  
I'm going to bed  
Bed bed bed bed bed  
I've done so many things today  
There's nothing left to do  
I ate three meals, I rode my bike, I hung out with my  
friends  
I did my chores, I watched TV, I practiced the guitar  
I brushed my teeth, I read my book, and then I sat  
around  
I'm going to bed  
Bed bed bed bed bed

Moo  
Moo  
Moo  
Moo

Oh it's pointless staying up for even twenty seconds  
more  
When everything has happened and there's nothing  
else in store  
The thing is now to lay my head down, close my eyes,  
and snore  
And so to bed directly I go

The day is done  
The sun is down  
The curtains have been drawn  
And darkness has descended over everything in town  
The covers have been turned and I've got my pajamas  
on  
I've had my fun  
I've stretched and yawned and all is said and done  
I'm going to bed

Bed bed bed bed bed

Bed

Bed bed bed bed bed

I'm going to bed

Bed bed bed bed bed bed bed bed
