Im your only friend
Im not your only friend
But Im a little glowing friend
But really Im not actually your friend
But I am

Blue canary in the outlet by the light switch
Who watches over you
Make a little birdhouse in your soul
Not to put too fine a point on it
Say Im the only bee in your bonnet
Make a little birdhouse in your soul

I have a secret to tell
From my electrical well
Its a simple message and Im leaving out the whistles
and bells
So the room must listen to me
Filibuster vigilantly
My name is blue canary one note* spelled l-i-t-e
My storys infinite
Like the longines symphonette it doesnt't rest

Blue canary in the outlet by the light switch
Who watches over you
Make a little birdhouse in your soul
Not to put too fine a point on it
Say Im the only bee in your bonnet
Make a little birdhouse in your soul

Im your only friend
Im not your only friend
But Im a little glowing friend
But really Im not actually your friend
But I am

There's a picture opposite me
Of my primitive ancestry
Which stood on rocky shores and kept the beaches
shipwreck free
Though I respect that a lot
Id be fired if that were my job

After killing Jason off and countless screaming
argonauts
Bluebird of friendliness
Like guardian angels it's always near

Blue canary in the outlet by the light switch
Who watches over you
Make a little birdhouse in your soul
Not to put too fine a point on it
Say I'm the only bee in your bonnet
Make a little birdhouse in your soul

(and while you're at it
Keep the nightlight on inside the
Birdhouse in your soul)

Not to put too fine a point on it
Say I'm the only bee in your bonnet
Make a little birdhouse in your soul

Blue canary in the outlet by the light switch (and while
you're at it)
Who watches over you (keep the nightlight on inside
the)
Make a little birdhouse in your soul (birdhouse in your
soul)

Not to put too fine a point on it
Say I'm the only bee in your bonnet
Make a little birdhouse in your soul

Blue canary in the outlet by the light switch (and while
you're at it)
Who watches over you (keep the nightlight on inside
the)
Make a little birdhouse in your soul (birdhouse in your
soul)

Not to put too fine a point on it
Say I'm the only bee in your bonnet
Make a little birdhouse in your soul
Notes

The dial-a-song version has the following significantly
altered lyrics:

Blue canary in the outlet by the light switch
He watches over you
Make a little birdhouse in your soul
Not to put too fine a point on it
Say I'm the only bee in your bonnet

Make a little birdhouse in your soul

I have a secret to tell
Out when you're all by yourself
There's a time when even you get up and leave your
nothing to dwell
I don't want to talk about that
And no one listens to that
But for the one who does, and she's the one you worry
about
Don't you say anything
If you have anything to do with it

Blue canary in the outlet by the light switch
He watches over you
Make a little birdhouse in your soul
Not to put too fine a point on it
Say Im the only bee in your bonnet
Make a little birdhouse in your soul

Id like to cover the earth
With a fresh-baked yummy dessert
People couldnt live in it, but I think it's worth the money
and hurt
Cause I couldnt tolerate
All the empty places in the world

Blue canary in the outlet by the light switch
He watches over you
Make a little birdhouse in your soul
Not to put too fine a point on it
Say Im the only bee in your bonnet
Make a little birdhouse in your soul

Make a little birdhouse in your soul

I don't feel thirty
Give me something to write on
I don't feel three hundred
Give me something to write on
