"Daddy'll sing bass"

"Daddy'll sing bass"

"Daddy'll sing bass"

"Daddy'll sing bass"

I took my boat for a car  
I took that car for a ride  
I was trying to get somewhere  
But now I'm following  
The traces of your fingernails  
That run along the windshield  
On the boat of car

"Daddy'll sing bass"

Traces of your fingernails  
That run along the windshield  
On the boat of car  
On the boat of car  
On the boat of car  
On the boat of car
