They call me Dr. Worm  
Good morning how are you? I'm Dr. Worm  
I'm interested in things, I'm not a real doctor  
But I am a real worm, I am an actual worm, I live like a  
worm

I like to play the drums, I think I'm getting good  
But I can handle criticism, I'll show you what I know  
And you can tell me if you think I'm getting better on  
the drums  
I'll leave the front unlocked 'cause I can't hear the  
doorbell

When I get into it I can't tell if you are  
Watching me twirling the stick  
When I give the signal, my friend  
Rabbi Vole will play the solo

Some day somebody else besides me will  
Call me by my stage name, they will call me Dr. Worm

Good morning how are you? I'm Dr. Worm  
I'm interested in things, I'm not a real doctor  
But I am a real worm, I am an actual worm, I live like a  
worm

And I like to play the drums, I think I'm getting good  
But I can handle criticism, I'll show you what I know  
And you can tell me if you think I'm getting better on  
the drums  
I'm not a real doctor but they call me Dr. Worm
