

## **They Might Be Giants "Electric Car"**

Electric car, on roads so dark  
To change the end, rewrite the start  
Electric car, so good, so far

Electric car, on verdant green  
Invent a turn, invent a dream  
Electric car, the new machine

Let's take a ride in an electric car  
To the west side in an electric car  
How can you deny an electric car?  
Won't you take a ride with me?  
Come on and take a ride with me

Electric car beside the tree  
Will past the dock, will past the sea  
Electric car, roll silently

Electric car on roads so dark  
To change the end, rewrite the start  
Electric car, so good, so far

Let's take a ride in an electric car  
To the west side in an electric car  
How can you deny an electric car?  
Won't you take a ride with me?  
Come on and take a ride with me

No diesel, steam or gasoline

Let's take a ride in an electric car  
Happiness resides in an electric car  
You can even drive an electric car  
Won't you take a ride with me?  
Come on and take a ride with me

Let's take a ride in an electric car  
To the west side in an electric car  
How can you deny an electric car?  
Won't you take a ride with me?  
Come on and take a ride with me
