

They Might Be Giants "Go For G!"

Gorillas in the jungle
Gazelles out in the field
Goats are in the barnyard
And gophers in their holes

Go, go, go, go for G
Go, go, go, go for G
You'll feel glorious, generous, gleeful and great
When you go, go, go, go for G

Goof balls in their go-carts
Girl scouts chewing gum
Grandma with her gingerbread
And the drummer plays a gong

Go, go, go, go for G
Go, go, go, go for G
You'll feel gracious, gigantic, grateful and glad
When you go, go, go, go for G

Grapes, glue, gyroscopes

Go, go, go, go for G
Go, go, go, go for G
You'll feel glorious, generous, gleeful and great
When you go, go, go, go for G
