Here in Higglytown, things all jump around
Just like the Higglytown heroes
(Our heroes)
They all work together, making fun together
Come see the Higglytown heroes

Hubie, Wayne, Twinkle, Kip and Fran
All hop and pop around
Soon they'll learn about real heroes
Who and why and how, now

Here in Higglytown, we'll all jump around
And meet the Higglytown heroes
(Our heroes)
We'll all work together, having fun together
With all the Higglytown heroes

Let's all play together, save the day together
Come join the Higglytown heroes
