

They Might Be Giants "Hide Away Folk Family"

Visit "[Hide Away Folk Family](#)" on MotoLyrics.com

Hide away folk family
Or else someone's gonna get ya
(Someone's gonna get ya)
Someone's gonna get ya
Hide away folk family
Better hide away
Better hide away

Tippy-toe to the front door, mother
'Cause there's a guy with a long, long fuse
And the one thing you can't hide is all the fear you feel
inside
As the fuse is spelling out these words

Hide away folk family
Or else someone's gonna get ya
(Someone's gonna get ya)
Someone's gonna get ya
Hide away folk family
Better hide away
Better hide away

Tippy-toe to the flat-bed, father
Because they're pourin' out our gasoline
And sadly the cross-eyed bear's been put to sleep
behind the stairs
And his shoes are laced with irony

Hide away folk family
Or else someone's gonna get ya
(Someone's gonna get ya)
Someone's gonna get ya
Hide away folk family
Better hide away
Better hide away

Hello, this is Leslie down
With the daily home astrology report
Taurus, contemplate domestic turmoil
Aquarius, abandon hope for future plans

Hide away folk family

Or else someone's gonna get ya
(Someone's gonna get ya)
Someone's gonna get ya
Hide away folk family
Better hide away
Better hide away
(Hide away)

Hide away folk family
(Folk family, Someone's gonna get ya)
Someone's gonna get ya
Hide away
Hide away
